

SC56 - Subcontractor Introduction Questionnaire

To be considered to be added to the Deeley Construction supply chain, please complete the questionnaire below and submit to admin@deeley.co.uk.

Process: If approved, you will be added to our supply chain database from which our Estimators and Quantity Surveyors can select you to provide quotes for both tenders and live projects.

Should your quote be of interest, our appointed contact will request additional information such as Insurance Cover and H&S RAMS.
